With frequent trains, light rail services and a number of regular bus routes the best way to get to and from Centennial Parklands is by public transport

## LIGHT RAIL

The best and most efficient way to get to and from the venue is via light rail.

The L2 Randwick and L3 Kingsford light rail services run between Circular Quay and Randwick and Circular Quay and Kingsford. Both lines travel via George Street, Central Station and along Devonshire Street in Surry Hills up to Moore Park.

L2 Randwick and L3 Kingsford Lines operate every 5 – 10 minutes on Saturdays from 7am to 1am the following morning

Estimated service arrival times will be available on electronic information boards at stop platforms.

You can check a service times via the [Trip Planner](#) or [next departures](#).

The closest station to the event site is MOORE PARK Light Rail Station

Stop ID 2021102. Patrons are then encouraged to make the short walk and enter the park via the Robertson Road Gate and onto the event site.

If you have limited mobility, you can travel on all light rail services.

Dedicated wheelchair waiting areas on each light rail platform are located adjacent to bench seats underneath canopies. They are identified using Tactile Ground Surface Indicators. These waiting areas are positioned to correspond to the accessible seating sections inside the trams.

As all light rail stops have level access, there is no requirement for a wheelchair ramp to board or alight from the tram.

Check the accessibility facilities at the [light rail stop locations](#) and read through the tips for [planning an accessible trip](#).

There are four dedicated priority seating areas for wheelchairs, which include a blue push button with an accessible symbol on the button. When pushed, the button requests the attention of the driver to give you more time to alight for exiting if needed.
